EXT. MILITARY FACILITY, USA -- DAY

Present day. The exterior of an American military facility. There is a GUARD posted outside the facility. JOHNNY MAGNUM approaches the front door. There is a USA flag hanging on the wall. The GUARD salutes JOHNNY MAGNUM and opens the door. JOHNNY MAGNUM does not salute back to the GUARD. Instead JOHNNY MAGNUM salutes the USA FLAG.

INT. MILITARY FACILITY, USA -- DAY

JOHNNY MAGNUM and the COLONEL are meeting. JOHNNY MAGNUM is a rugged male in his 30's. His arrogance and confidence are clear even before he speaks. He is wearing jeans and a black t-shirt that on the front says, "Eukonkanto" and on the back says, "If you can read this, my wife fell off!" The COLONEL is in his 40's and looks desperate for help. He is wearing a US Army uniform.

JOHNNY MAGNUM

What's so important Colonel? I'm a retired mercenary not a puppet looking for work. If you don't know the difference ask Google.

COLONEL

Johnny, hear me out. If you don't help us one more time, this incident will spark World War III. America and the world need you.

JOHNNY MAGNUM

Forget it. I'm done. I did more for this country than your hippy San Francisco Rainbow news will ever know, or acknowledge. Like Dubya said - Fool me once, shame on you. Fool me you can't get fooled again.

COLONEL

John, do you know who the Habsburgs are?

JOHNNY MAGNUM

A bunch of strudel loving krauts. But they fell out of power before you or I were even born. So what.

COLONEL

Sort of, but they're back and they've done something real bad.

JOHNNY MAGNUM

Call the Marines. You have their number.

COLONEL

Johnny, they've got the President's daughter Melisha. If we don't rescue her, they're going to do something terrible and the world will go to war.

JOHNNY MAGNUM

So call the kidnap help line and report the brat missing. What am I supposed to do?

COLONEL

John, we don't know what they're up to but we know it's big. There is something going down this Sunday in Austria. If we don't get her out before, the President has authorized a full-scale invasion of the country. It will cause a domino effect of military support and will lead to a world war. We can't have that.

JOHNNY MAGNUM

Are the Liechtenstein Boy Scouts going to attack DC? How ironic would the US invasion of Austria be if Schwarzenegger would be the American general in charge?

COLONEL

Johnny, focus. I spoke to the President this morning. He specifically asked for you to do this mission. And don't forget you still have a debt to pay.

JOHNNY MAGNUM

He asked for me to do the last one too and what did that get me? I haven't lost my debt. Damn it Colonel. You know that being a warrior is in my blood but I'm so tired of this. I can't go on.

COLONEL

This is the last time. Save the President's daughter and all debts are paid. You can walk away and never look back.

JOHNNY MAGNUM

This is the last one. I'm done after this. I'm falling off the grid for good. What's the plan?

COLONEL

You're a hero John. The country owes you more than it can ever pay.

COLONEL shows JOHNNY MAGNUM plans on a wall. The plan reveals a map showing where Vorarlberg is located and its proximity to the Swiss border. The COLONEL points at the map.

COLONEL (CONT'D)

This is a map.

JOHNNY MAGNUM nods in affirmation. The COLONEL points to America.

COLONEL (CONT'D)

You are here.

JOHNNY MAGNUM

Yup.

COLONEL points to Europe.

COLONEL

This is Europe.

JOHNNY MAGNUM

I'm with you.

COLONEL points to Austria.

COLONEL
This is Austria.

JOHNNY MAGNUM
Ah, they have kanga-

COLONEL
(interrupting JOHNNY
MAGNUM)
No kangaroos.

JOHNNY MAGNUM looks surprised, but nods.

COLONEL (CONT'D)
It's going to be a classic snatch
and grab. The Habsburgs are holed
up the western Austrian region called
Vorarlberg. It neighbors Switzerland
and Liechtenstein, both of which
have vowed to give America its support
in exchange for turning a blind eye
to their corrupt bankers.

JOHNNY MAGNUM
Will I interact with the locals? I
studied German in school and can fit
in.

COLONEL
Good thinking but they don't speak
German there. They speak
Vorarlbergerisch. These will help
you learn the language and a bit
about the culture.

COLONEL throws JOHNNY MAGNUM two BOOKS. One is called
"Sprechen Sie Vorarlbergerisch" and the other is a Rosamunde
Pilcher novel called "Wechselspiel der Liebe."

COLONEL (CONT'D)
Your orders are to maintain a low
profile and not engage the locals.
You're on your own. If you get caught
the US will deny your existence.

JOHNNY MAGNUM
I know that song and dance. But
likewise you should know that I only
know how to do things my way. The
Magnum way.

COLONEL
Johnny, whatever the Habsburgs are
planning to do to her, it's scheduled
(MORE)

COLONEL (CONT'D)
to take place this Sunday at the
Conrad Sohm Palace.

COLONEL hands JOHNNY MAGNUM a photo of MELISHA.

COLONEL (CONT'D)
You are to extract the President's
daughter on Friday and rendezvous
with me before heading to Switzerland.
Together we'll take her across the
border and to the US Embassy in
Zurich.

JOHNNY MAGNUM's eyes open wide when he sees the photo of
MELISHA.

JOHNNY MAGNUM
Call the President. Tell him his
baby's got back. I mean I'm going
to get his baby back.

EXT. HABSBURG PALACE, AUSTRIA -- EVENING

The front door of the Habsburg's Palace is protected by
GUARDS. Despite it not being well maintained, it looks of
class and wealth from a time forgotten.

INT. HABSBURG PALACE, DINING ROOM, AUSTRIA -- DAY

MELISHA is locked in a dining room. She is dressed in a
white wedding gown. A GUARD is outside her cell door.

MELISHA
When you guys said that stuff about
Franz Ferdinand I thought you were
talking about a reunion tour for the
band. I think there has been a
misunderstanding.

The door opens. YODELING GUARD rolls in a red carpet.
YODELING GUARD yodels SOUNDING the entrance of the King.
KING HABSBURG enters the room. He is a white male in his
50's. He speaks ENGLISH with a GERMAN accent.

KING HABSBURG
There was no misunderstanding, my
dear. You are destined for greatness.
Soon our bloodlines will merge and
our families will rule the world for
the next 10,000 years.

MELISHA
Are you a vampire?

KING HABSBURG

I wish. Then I'd be around long enough to see the family return to its full strength. Oh, by the way, how are you finding the accommodations?

MELISHA

This is terrible. You have me locked up in a dining room.

KING HABSBURG

Oh yes. Well, you know we are having a wedding this weekend and all the guest rooms are full. My apologies.

MELISHA

Why are you doing this to me?

KING HABSBURG

My family gained its power by marrying other powerful families. Your father is currently the most powerful man in the world. The Commander-in-Chief of the greatest army the world has ever known. You will marry my son the prince and bring our families together. The Habsburg family shall be *reborn* and *retake* its *rightful* role in *ruling* the world. Sounds good, yes?

MELISHA

Um, look, my dad already got reelected and in about 3 years he'll get evicted from the White House. He's essentially going to be unemployed. You don't want your son the prince to marry the daughter of an unemployed black guy, do you?

KING HABSBURG

I adore your spirit and you're smart like your mother. You can use reason and words. We considered a union with one of the Bush girls but, well, let's just say that their intellectual potential wasn't quite up to snuff. You and my son will breed smart and beautiful children capable of commanding the new empire.

KING HABSBURG shows MELISHA a photo of the prince. The boy is terribly ugly. MELISHA is shocked.

MELISHA

Look, I'm flattered that you think I can churn out beautiful creatures even if that's the seed I'm working with but I'm not letting Prince Bucktooth near my intellectual snuff. Oh, and by the way, I'm saving myself for Jaden Smith.

KING HABSBURG

The son of Will Smith the Fresh Prince of Bel Air? You prefer his Jiggy bloodline over mine? You don't fully understand the power and influence of the Habsburgs. Everyone worth inviting to the wedding has been invited and accepted the invitation. This includes the House of Savoy, the House of Leo, and the Guinness Family. This is the chance of a lifetime. Don't you want to be a real queen?

MELISHA

It's great that you've invited cabbage, lions and beer to this shindig but I'll pass. Being a queen in your empire is like being Halle Berry in Catwoman. It sounds cool but no one is watching and it's outdated.

KING HABSBURG

You will not join the House of Bel Air. You will marry my son on Sunday and like it. Furthermore you will bear me a royal grandson. Breeding begins immediately after the wedding ceremony.

MELISHA

Breed you.

KING HABSBURG turns to leave the dining room prison cell.

KING HABSBURG

Talk to the dining room door. This confabulation is over.

KING HABSBURG leaves the prison cell. YODELING GUARD rolls up the red carpet and yodels. MELISHA throws her wedding vial at the closing door.

MELISHA

I need a hero. Someone to carry me
to safety. Jaden, if you can hear
me, I need you now more than ever.

EXT. HABSBERG PALACE, AUSTRIA -- DAY

INTELLIGENT GUARD and YODELING GUARD are standing outside
the Habsburg's Palace. They are dressed as royal soldiers
wearing colorful outfits. JOHNNY MAGNUM is hiding in the
bushes using eaves-dropping equipment to listen to the GUARDS.

YODELING GUARD

I think it's great that the prince
is finally getting married. I can
really relate to him. I feel like
he knows me for me. You know what I
mean?

INTELLIGENT GUARD

Be quiet and focus on your job.
There was a warning that the Americans
will try to foil the wedding. We
can't let that happen. Kill anything
that looks red, white and blue.

YODELING GUARD

I remember what the King said. After
the wedding the Kingdom will be
restored and once again our blue
bloods will rule the world. It's a
great plan. The king is smart.

JOHNNY MAGNUM ponders and nods in affirmation of a plan inside
his head. He begins to prepare for his assault on the
HABSBERG PALACE.

INTELLIGENT GUARD

Attention. Someone is approaching.

Walking towards the palace gate is an UNIDENTIFIED PERSON in
a black robe carrying 2 bags. The GUARDS cannot see the
person's face.

YODELING GUARD

(to UNIDENTIFIED PERSON)

Stop or I'll shoot!

UNIDENTIFIED PERSON continues walking towards the palace.
The GUARDS raise their weapons.

INTELLIGENT GUARD
 (to UNIDENTIFIED PERSON)
 Identify yourself or by order of his
 Majesty the King of the Habsburgs we
 shall be forced to kill you.

NOTE: SOME OF THE DIALOGUE IN THIS SCENE IS IN GERMAN OR
 AUSTRIAN DIALECT AND SUBTITLED IN ENGLISH.

UNIDENTIFIED PERSON
 (in German; English
 subtitles)
 Ich bin hier für Die Hochzeit.

UNIDENTIFIED PERSON (CONT'D)
 (English subtitles)
 I am here for the wedding.

The GUARDS lower their weapons.

INTELLIGENT GUARD
 (to UNIDENTIFIED PERSON)
 Pardon the formalities but please
 remove your hood and state your royal
 family name.

Unidentified PERSON removes his hood and reveals himself as
 JOHNNY MAGNUM. JOHNNY MAGNUM puts on a traditional Austrian
 hat - Tirolerhut.

JOHNNY MAGNUM
 (in German; English
 subtitles)
 Ich bin Hans von die Tirolbergers.

JOHNNY MAGNUM (CONT'D)
 (English subtitles)
 I am Hans from the Tirolbergs.

YODELING GUARD
 (to JOHNNY MAGNUM)
 Where are you from?

JOHNNY MAGNUM
 (singing "I Am From
 Austria" by Austria
 3)
 I am from Austria.

INTELLIGENT GUARD
 (to YODELING GUARD)
 Hmm, the name doesn't ring a bell.
 Check the guest list.

INTELLIGENT GUARD searches the guest list on a clipboard.

YODELING GUARD
 (to INTELLIGENT GUARD)
 Nope. Not here. He looks like a
 Piefke.

SUBTITLE: Piefke is a German tourist who travels to Austria
 and steals food from the hotels where he is staying.

INTELLIGENT GUARD
 (to JOHNNY MAGNUM)
 Prove that you are who you say you
 are.

JOHNNY MAGNUM
 (in Austrian dialect;
 English subtitles)
 Ich bin waschechter Tiroler und Ich
 bin ein richtiger schluchtenscheisser
 auch.

JOHNNY MAGNUM (CONT'D)
 (English subtitles)
 You can bet your bottom dollar that
 I am from Austria. I often shit
 down the side of the Alps.

INTELLIGENT GUARD
 We need more than that.

JOHNNY MAGNUM
 (in Austrian dialect;
 English subtitles)
 Kollege, Ich esse Knödl und Kässpätzle
 und das gibt mir stramme Wadln.

JOHNNY MAGNUM (CONT'D)
 (English subtitles)
 Dude, I drink goat milk, eat duck
 liver pate on toast, and have sexy
 calf muscles.

JOHNNY MAGNUM shows the GUARDS his calf muscles.

YODELING GUARD
 (to INTELLIGENT GUARD)
 That's something a Piefke would say.

INTELLIGENT GUARD
 (to JOHNNY MAGNUM)
 Better but we need real proof.

JOHNNY MAGNUM removes his robe and is wearing proper
 lederhosen. YODELING GUARD and INTELLIGENT GUARD raise an
 axe and saw respectively as if to attack JOHNNY MAGNUM.
 Instead they each throw their tools at him.

JOHNNY MAGNUM catches both and a log is revealed at his feet. INTELLIGENT GUARD picks up an accordion and PLAYS a traditional Tirol FOLK SONG. JOHNNY MAGNUM does the Schuhplattler dance as the GUARDS CLAP, STOMP THEIR FEET, and YODEL in time. JOHNNY MAGNUM BANGS THE AXE on the log and SAWS WOOD for SOUND. The GUARDS are overtly happy.

YODELING GUARD

I have not seen such angelic movements
since I was a little Ländler.

SUBTITLE: Ländler is a person from the Vorarlberg region of Austria and also one who performs a traditional dance.

When JOHNNY MAGNUM finishes the dance, he tips his hat like a gentlemen. JOHNNY MAGNUM takes a bow. A bouquet of flowers is thrown at him from out of nowhere. JOHNNY MAGNUM smiles and waves to an imaginary crowd. Women's lingerie is thrown at him.

INTELLIGENT GUARD

The Tirolbergers really know how to
party. He is no Piefke.

INTELLIGENT GUARD waves to JOHNNY MAGNUM.

INTELLIGENT GUARD (CONT'D)

Come in my Tirolberger freund, come
in. You are very willkommen.

SUBTITLE: Willkommen means "welcome" in German.

The GUARDS continue to YODEL and CHEER. JOHNNY MAGNUM approaches them with a smile and quickly kills both GUARDS, one with the saw and the other with the axe.

JOHNNY MAGNUM

This Tirolberger really knows how to
kill.

SUBTITLE: Johnny Magnum is bad ass.

JOHNNY MAGNUM performs a Schuhplattler dance of joy around the dead GUARDS then enters the palace.

INT. HABSBURG PALACE, AUSTRIA -- DAY

The interior of the palace is dark and not very well maintained. Instead of looking like a wedding hall it looks like a haunted house. JOHNNY MAGNUM, still dressed in lederhosen and carrying his 2 bags, is searching the palace for MELISHA while being careful not to be noticed by the GUARDS or BEAUTIFUL WOMEN in dirndls roaming the halls. He finally comes to a hallway that contains a door that is flanked by 2 GUARDS.

JOHNNY MAGNUM takes a shield off the wall and pretends that it is a food tray. He approached the GUARDS.

JOHNNY MAGNUM
 (in German; English
 subtitles)
 Grussi und Servusi. Ich habe yum-
 yums für Euch!

JOHNNY MAGNUM (CONT'D)
 (English subtitles)
 Howdy and hello. I have yum-yums
 for you!

The 2 GUARDS look relieved to have a snack break. When JOHNNY MAGNUM gets within striking distance he hits one GUARD with the shield and quickly pulls a sword off the wall and does away with the other GUARD. JOHNNY MAGNUM searches the GUARDS for a key. He finds a key and unlocks the cell door.

INT. HABSBURG PALACE, DINING ROOM, AUSTRIA -- EVENING

JOHNNY MAGNUM, still wearing his lederhosen and carrying 2 bags, enters the dining room prison cell. MELISHA is lying on a small bed on her side. The pristine white wedding dress. MELISHA looks like an angel. JOHNNY MAGNUM is mesmerized by MELISHA's beauty.

MELISHA
 Aren't you a little tall for a
 Schuhplattler?

SUBTITLE: Schuhplattler is the name of the traditional dance that Johnny Magnum performed to trick his way into the palace.

JOHNNY MAGNUM
 Huh? Oh, the uniform. I'm Johnny
 Magnum. I'm here to rescue you.

MELISHA
 Thank you. Let's get out of here.

JOHNNY MAGNUM
 Hold on. I don't want anyone else
 to see me in this elf costume. I
 have to change my clothes.

JOHNNY MAGNUM begins digging through his bag for new clothes to wear.

MELISHA
 What are you talking about?

JOHNNY MAGNUM

I know, right. Who would have thought that the part time Christmas job playing an elf at the mall would pay off like this.

MELISHA

You are a moron. We need to get out of here.

JOHNNY MAGNUM

Woman. If you want to be rescued we do it the Magnum way.

JOHNNY MAGNUM changes his clothes to dress like Rambo but the clothes don't look as good on him as they do on Sylvester Stallone. He applies deodorant and shaves his chest. Applies fake tanning cream. Adjusts his crotch. Spit shines his shoes. Checks his hair in a hand mirror. Flosses his teeth. Gargles. Adjusts his crotch again. Adjusts his crotch again.

JOHNNY MAGNUM (CONT'D)

OK Habsbies, prepare to get magnumed.

MELISHA

Princess Magnum. Are you ready to rescue me now?

JOHNNY MAGNUM

It's go time. By the way...

JOHNNY MAGNUM throws a bag at MELISHA.

JOHNNY MAGNUM (CONT'D)

...Congratulations Nicki Minaj. You are now my weapons sergeant. I suggest you get familiar with what's in that bag.

MELISHA looks in the bag and finds German porn, handcuffs, a dildo, penis pump, and various sex toys. MELISHA looks confused.

JOHNNY MAGNUM (CONT'D)

Oops, wrong bag. Here, take this one.

MELISHA checks the contents of the new bag and sees guns, grenades and other weapons. She throws the sex toy bag to the side.

JOHNNY MAGNUM (CONT'D)

Hey, that's coming with us. Do you know how hard it is to find that stuff in the US?

JOHNNY MAGNUM grabs MELISHA and carries her in an upside down piggy back (wife carrying Estonian style) and they begin running out of the building.

INT. HABSBERG PALACE, AUSTRIA -- DAY

JOHNNY MAGNUM removes a shield from the wall while running. He uses it to knock over a GUARD. JOHNNY MAGNUM continues running.

JOHNNY MAGNUM
You can't shield freedom lovers from
freedom. Fuckin' A.

EXT. HABSBERG PALACE, AUSTRIA -- DAY

JOHNNY MAGNUM and MELISHA continue running Estonian style out of the Palace. The palace blows up in the background. From the explosion DIRNDL GIRL rolls out a red carpet rolls out. KING HABSBERG walks out from the explosion onto the red carpet completely unharmed.

KING HABSBERG
(as if speaking to a
large crowd)
Release my finest warriors. They
must not leave the kingdom.

KING HABSBERG realizes that there is actually no one around except the DIRNDL GIRL. There is SILENCE except for CRICKETS CHIRPING.

KING HABSBERG (CONT'D)
(to DIRNDL GIRL)
Release my finest warriors. They
must not leave the kingdom. Got it?

DIRNDL GIRL makes a note on her hand and nods.

EXT. BLACK DRAGONS LAIR, AUSTRIA -- DAY

JOHNNY MAGNUM and MELISHA continuing running Estonian style. They approach a suburban-style house.

JOHNNY MAGNUM
This is where we are meeting the
Colonel.

JOHNNY MAGNUM puts MELISHA down.

MELISHA
I'm thirsty. I'm going inside for
some water.

JOHNNY MAGNUM
It should be safe. Go ahead.

MELISHA enters the house. She SCREAMS. JOHNNY MAGNUM enters the house.

INT. BLACK DRAGONS LAIR, AUSTRIA -- DAY

Inside the house the COLONEL is feebly fighting the BLACK DRAGON KICKBOXER.

COLONEL
John, it's a trap. The Liechtensteiners betrayed us - Swiss wannabees. Take the package and get the hell out of here. I'll hold him off as long as I can. Go.

JOHNNY MAGNUM grabs MELISHA and starts to go towards the door but stops and looks back at the COLONEL. BLACK DRAGON KICKBOXER delivers a hard blow and the COLONEL goes down. He is bleeding and twitching.

JOHNNY MAGNUM
No! Colonel!
(to MELISHA)
Weapons sergeant. Kickboxing gear on the double.

MELISHA sorts through the bags and pulls out kickboxing gear and a package of MAGNUM condoms. She throws the gear to JOHNNY MAGNUM and discards the condoms. JOHNNY MAGNUM suits up and prepares to battle the BLACK DRAGON KICKBOXER.

JOHNNY MAGNUM (CONT'D)
Prepare to get the Uncle Sam Slam, Tong Po.

BLACK DRAGON KICKBOXER
(in German)
Gruss Gott in Vorarlberg.

BLACK DRAGON KICKBOXER (CONT'D)
(English subtitles)
Welcome to Vorarlberg.

BLACK DRAGON KICKBOXER grabs a baseball bat as if to hit JOHNNY MAGNUM with it but instead breaks it over his knee. JOHNNY MAGNUM and the BLACK DRAGON KICKBOXER fight (NOTE: fight choreographed by Roman Lässer). BLACK DRAGON KICKBOXER seems unfazed. JOHNNY MAGNUM gets punched hard and falls.

MELISHA
This isn't working.

JOHNNY MAGNUM

Ya know, you could be more positive.
Just go sit over there and try to be
supportive.

MELISHA sits against the wall and watches the fight. JOHNNY
MAGNUM and BLACK DRAGON KICKBOXER continue to fight.

MELISHA

Johnny, to kill a dragon you need to
find it's weak spot.

JOHNNY MAGNUM

I'm open to suggestions.

MELISHA stands up and enters the fighting area holding a
large piece of paper with a number "2" on it.

MELISHA

Ding ding ding! That's the end of
round one.

BLACK DRAGON KICKBOXER drops his guard as if it is the end
of a round in a K-1 fight. He turns to go to a corner and
as he does, JOHNNY MAGNUM delivers a high kick and knocks
him down for the count. When the kick lands, there is a
loud CRACK noise as if BLACK DRAGON KICKBOXER's neck broke.

JOHNNY MAGNUM

And this dragon's weak spot is his
professional fighting background.
There are no in-between-round breaks
in mortal combat, bitch.

MELISHA runs to the side of BLACK DRAGON KICKBOXER and SLAPS
him. JOHNNY MAGNUM rushes to the COLONEL's side. JOHNNY
MAGNUM kneels down to speak.

JOHNNY MAGNUM (CONT'D)

Sir. Get up. We have to go.

COLONEL

The only place I'm going to is the
big battlefield in the sky. Get the
girl to Switzerland. Don't ever
trust Liechtensteiners.

JOHNNY MAGNUM

Come on buddy. We gotta go. Come
on. Come on. Come on. No. No.

JOHNNY MAGNUM is growing visibly angry. The COLONEL is dying.

COLONEL

Go.

With that last word, the COLONEL dies. JOHNNY MAGNUM stands up and is shaking with rage.

JOHNNY MAGNUM
 (steroid raging)
 Liechtensteiners! I'll see you in
 Hell!

JOHNNY MAGNUM and MELISHA prepare to leave. JOHNNY MAGNUM grabs the bags and his gear. MELISHA gets on his back. They leave the building in the Estonian style wife carrying position.

EXT. LIONS' BASKETBALL STADIUM, AUSTRIA -- DAY

JOHNNY MAGNUM and MELISHA are running by the LIONS BASKETBALL STADIUM.

MELISHA
 I have to pee.

JOHNNY MAGNUM
 Better in there than on my neck.
 We'll take a break.

INT. LIONS' BASKETBALL STADIUM HALLWAY, AUSTRIA -- DAY

MELISHA and JOHNNY MAGNUM enter the BASKETBALL STADIUM through the front door. There is a hallway and concession area. MELISHA enters a the women's bathroom. JOHNNY MAGNUM waits outside. MELISHA comes out of the bathroom and is looking down, fixing her outfit. She doesn't notice that a BASKETBALL TEAM has appeared in the hallway.

JOHNNY MAGNUM
 Oh shit.

MELISHA
 No, I said pee. And anyway, it's
 none of your business.

JOHNNY MAGNUM
 Things just got worse. It's the
 Lions.

MELISHA
 Lions? Austria doesn't have lions.

MELISHA suddenly notices that there is a BASKETBALL TEAM standing in the hall with them. There is also the LION MASCOT.

JOHNNY MAGNUM

The Dornbirn Lions are the fiercest basketball team in the history of basketball. They used to be in the same league as the Harlem Globetrotters but when they realized the games were fixed and that they were scheduled to lose, they killed the Globetrotters and were banned from the sport. The Habsburgs since picked them up as free agents and use them to do their bidding.

MELISHA

What are we going to do?

JOHNNY MAGNUM

Take 'em to the hole. Woman, prepare to mount up.

JOHNNY MAGNUM changes his clothes into a basketball player outfit. He wears a headband, wristbands, Converse All-Star high-tops and a mouth guard. MELISHA gets on JOHNNY MAGNUM's back in the Estonian position. JOHNNY MAGNUM dribbles a basketball and goes into the Lions' Basketball stadium court.

INT. LIONS' BASKETBALL STADIUM COURT, AUSTRIA -- DAY

JOHNNY MAGNUM and MELISHA get ready to play offense. The LIONS get ready to play defense. The two sides square off against each other. JOHNNY MAGNUM and MELISHA charge the LIONS. The LIONS prepare to counter attack. JOHNNY MAGNUM hits every PLAYER with various punches and kicks. Each PLAYER gets knocked out. Once all the PLAYERS are down, JOHNNY MAGNUM slams the ball into the net and scores. The LIONS are all laying on the ground moaning. The fight is over. JOHNNY MAGNUM and MELISHA walk past the MASCOT who is visibly afraid. JOHNNY MAGNUM kicks him in the balls. The MASCOT falls over.

MELISHA

How did you do that?

JOHNNY MAGNUM

I grew up in the ghetto playing basketball on a milk crate court.

MELISHA

Vanilla Ice you did not grow up in the ghetto.

JOHNNY MAGNUM

Girl what do you know about the ghetto?

(MORE)

JOHNNY MAGNUM (CONT'D)

You're straight outta the White House,
not the Black House. I'm blacker
than you. I'm gonna spit some NWA
for you later. If you really wanna
do it we can freestyle battle.

MELISHA

Shut up. Let's get out of here. I
want to go to Switzerland.

JOHNNY MAGNUM

Ha. You just made my point. When
was the last time a ghetto girl said
she wanted to go to Switzerland?
Admit it. I'm more hood than you.

JOHNNY MAGNUM and MELISHA continue running Estonian style
and exit the basketball stadium.

EXT. KEBAB STAND -- DAY

JOHNNY MAGNUM and MELISHA (still in Estonian wife carrying
position) stop running to eat a kebab at a KEBAB STAND. The
KEBAB MAN smiles and nods at them who never break their
position. JOHNNY MAGNUM and MELISHA continue running.

EXT. BY THE RIVER, AUSTRIA-SWITZERLAND BORDER -- DAY

JOHNNY MAGNUM and MELISHA arrive at the border. There is a
river and a bridge.

JOHNNY MAGNUM

That's the border. We're almost
there. All we have to do is cross.

A FIGURE approaches JOHNNY MAGNUM and MELISHA. Only its
outline can be seen because of the direction of the sun.
The FIGURE is revealed as the DIRNDL WARRIOR PRINCESS. She
punches JOHNNY MAGNUM in the face and knocks him down.
MELISHA falls off JOHNNY MAGNUM's back.

JOHNNY MAGNUM (CONT'D)

I can't do this.

MELISHA

You can't do what? Hurry up and
kill her.

JOHNNY MAGNUM

I don't believe in violence against
women for any reason. We're going
to die and it's my fault. I'm sorry.
Can we have sex before we die? I
don't want to go out as a virgin.

MELISHA

You're a virgin? How old are you?

JOHNNY MAGNUM

You never ask a gentleman that question. Look, I've been too busy saving the world to worry about a relationship OK.

MELISHA rolls her eyes.

JOHNNY MAGNUM (CONT'D)

Ya know, when a guy reveals something personal you could just say something like, *thank you for trusting enough in me to give me a glimpse inside your heart and soul...now let me help you take off your pants.*

MELISHA

Ugh, my family has to do everything.

JOHNNY MAGNUM leans back and gets ready for MELISHA to help him take off his pants.

JOHNNY MAGNUM

Be quick about it. This dirndl chick looks hard core.

MELISHA looks disgusted with JOHNNY MAGNUM and stands up to fight the DIRNDL WARRIOR PRINCESS. JOHNNY MAGNUM takes off his pants anyway and gets ready to watch the fight from a picnic blanket. The KEBAB MAN brings JOHNNY MAGNUM a kebab and stays to watch the fight. The DIRNDL WARRIOR PRINCESS is armed with a giant pretzel. MELISHA is armed with the US Constitution as a shield.

MELISHA

The hills are about to die with the sound of music.

DIRNDL WARRIOR PRINCESS

I'm going to beat you so bad your dad will change the name of White House to the black and blue house just to match your face.

A well-choreographed fight (NOTE: fight choreographed by Roman Lässer) takes place between MELISHA and DIRNDL WARRIOR PRINCESS. The HANDSOME PRINCE approaches JOHNNY MAGNUM and the picnic blanket.

HANDSOME PRINCE

Hey, what's going on here?

JOHNNY MAGNUM half turns towards the HANDSOME PRINCE to reply.

JOHNNY MAGNUM
Just watching some girl on girl
action.

JOHNNY MAGNUM does a double take.

JOHNNY MAGNUM (CONT'D)
Damn. You are handsome.

HANDSOME PRINCE
Thanks. I've been working out. I
was supposed to get married this
weekend but the plans suddenly
changed. Now I'm just out getting
some fresh air.

JOHNNY MAGNUM
Shhh. I'm watching this.

In the fight, the girls' clothing becomes partially removed.

HANDSOME PRINCE
I need to make an announcement.

HANDSOME PRINCE steps forward and speaks to the women.

HANDSOME PRINCE (CONT'D)
Dueling ladies of Vorarlberg. I,
the royal prince Habsburg and only
son of the King, am now single and
back on the market. Who wants it?

The women stop fighting and look at the HANDSOME PRINCE.
The women are locked in a position whereby MELISHA is leaning
back and DIRNDL WARRIOR PRINCESS is leaning over her
supporting her before delivering a punch to the face.

JOHNNY MAGNUM
What the fuck?

MELISHA
(to DIRNDL WARRIOR
PRINCESS)
You're joking. What happened to
Prince Bucktooth?

DIRNDL WARRIOR PRINCESS
(to MELISHA)
He looks so much better since he had
his braces removed.

MELISHA
 (to DIRNDL WARRIOR
 PRINCESS)
 Hey, he's mine. This is my wedding
 weekend.

DIRNDL WARRIOR PRINCESS drops MELISHA and runs towards the
 HANDSOME PRINCE. He takes her hand and kisses it softly.

HANDSOME PRINCE
 (in German; English
 subtitles)
 Küss die Hand schöne Frau.

HANDSOME PRINCE (CONT'D)
 (English subtitles)
 Kiss the hand, beautiful woman.

DIRNDL WARRIOR PRINCESS blushes.

DIRNDL WARRIOR PRINCESS
 (to HANDSOME PRINCE)
 Ich will, I mean, I do.

The HANDSOME PRINCE and DIRNDL WARRIOR PRINCESS look longingly
 into each other's eyes. He sweeps her off her feet and they
 dance away into the sunset. As the HANDSOME PRINCE and DIRNDL
 WARRIOR PRINCESS dance away, the DIRNDL GIRL appear and
 shower them with rice. JOHNNY MAGNUM, MELISHA, and the KEBAB
 MAN are left alone. They look confused.

MELISHA
 That guy was hot and rich and hot.

JOHNNY MAGNUM
 Yeah, I would have done him.

MELISHA
 This is your fault.

MELISHA slaps JOHNNY MAGNUM.

JOHNNY MAGNUM
 Woman. I might not be Jaden Smith
 or a handsome prince, but I'll carry
 you off into the sunset. Mount up.

MELISHA gets into the Estonian position. The KEBAB MAN
 showers them with paprika powder as they walk away to the
 Swiss border. KING HABSBERG appears and watches MELISHA and
 JOHNNY MAGNUM leave. He stands alone.

KING HABSBURG

(speaking to himself)

This isn't what I planned but I only want the best for my little boy. Honestly, I'm just glad that we didn't have a union with one of those Palin girls. The mother from that TV show Here Comes Honey Boo Boo is more likely to be a blue blood than Palin. Oh well. Life goes on and

KING HABSBURG puts on a pair of sunglasses that resemble those of the Terminator.

KING HABSBURG (CONT'D)

I'll be back.

KING HABSBURG turns and walks away. While walking, he WHISTLES the theme song to The Fresh Prince of Bel Air.

INT. JOHNNY MAGNUM'S HOUSE, USA -- DAY

Six months later.

JOHNNY MAGNUM is sitting at his desk. His doorbell rings. JOHNNY MAGNUM gets up to answer the door but there is no one there. He notices that a letter has been left on his entryway doormat. JOHNNY MAGNUM picks up the letter and returns to his desk. It is a letter from the Sallie Mae student loan organization. JOHNNY MAGNUM opens and reads the letter.
